Dear Luthando Vutula,

**THANK YOU FOR CONTRIBUTING TO THE SOLIDARITY FUND**

We appreciate and acknowledge receipt of your kind donation to the Solidarity Fund.

Your generous contribution will assist us in accelerating critical interventions presented by the COVID-19 pandemic in the following areas:

- **Health Response:** direct support for the healthcare system, augmenting both the private and Government healthcare sectors to ensure they have what they need, to protect the front line and also to enable the procurement of the required medical supplies.
- **Humanitarian Effort:** enabling resilience through various forms of humanitarian aid and support to our most vulnerable households and communities to enhance their ability to cope.
- **Solidarity Campaign:** mobilising citizens and inspiring behavioural change with the aim to flatten the curve and manage the pandemic. The campaign will serve to unite the nation, inspire and motivate ownership of behaviours and acts of service in their communities, with the view to engender activism and unity in action.

To date, the significant effort to launch and mobilise the Fund has all been done on a pro bono basis and therefore monies spent has been applied directly to high impact disbursements and thus your contribution will be utilised to achieve this maximum impact and reach.

It is through these acts of partnership and collaboration you are demonstrating, that will assist South Africa to combat the impact of this pandemic and we thank you for your trust. In recognition of your contribution, we will be publishing your company's name and donation amount onto the Solidarity Fund website. Please let us know if you would prefer to remain anonymous.

Yours sincerely
